

## ULTIMATE GUIDE TO EMPIRE'S BATTLE

Hello buddy! I'm Raccoon, the Lone Shooter, and this is the game Empire's Battle! I'm glad to welcome you to my world!

Well then, let's begin our adventure and try to figure this all out!

Shhh... You can earn quite a bit

**TAP THE CARD  
AND EARN!**

**IT'S SIMPLE AND FUN!**

Playing with me in Empire's Battle is very easy!  
Just tap on the card with my image and earn  
DUST tokens! 

Also, level up, get stronger, receive bonuses  
for completing quests, invite friends, and earn  
bonuses too!

But let's take it one step at a time, my new friend!

**IN THE GAME EMPIRE'S BATTLE,  
THERE ARE 10 DIFFERENT HEROES  
AVAILABLE, BUT FOR NOW, YOU  
CAN ONLY PLAY AS THE RACCOON  
AT THE START.**

In the universe of Empire's Battle, I'm not alone — there are many heroes here, but I slowed down those sneaky guys a bit, secretly stole an airship, and came here alone! Isn't that awesome? Pow-pow!!!

Ah, but yeah... All the other heroes will get here soon... But for now, it's just you and me here. Isn't that awesome? Just you and me!

Woo-hoo! But first, a little tutorial.
